## VOCATIONAL SKILL DEVELOPMENT TRAINING

A 10 days vocational Skill Development programme on Traditional Nicobari Handicraft was conducted across all the tribal council under CD Block Nancowrie. The main objective of the programme was to equip the women from Self Help Groups and youths with traditional skills of Nicobari handicraft making, for the preservation of years of old tribal heritage and provide livelihood opportunities. The programme was organized in coordination with Chief tribal captains and leaders; also local artisans were engaged as trainers to provide training to the participants. More than 100 participants took part across all the training locations.
