# VISION & MISSION

## OUR MANDATE

To ensure the food security of every citizen in Little Andaman through a transparent, efficient, and equitable Public Distribution System (PDS).

*"Together, let us create a transparent, efficient and equitable system for every citizen in the Andaman & Nicobar Islands."*

## CORE OBJECTIVES

- **Universal Access:** Guaranteeing the timely availability of essential commodities even in the most remote corners of the island.
- **Price Stability:** Monitoring market rates and preventing hoarding or black marketing through vigilant enforcement.
- **Modernization:** Transitioning from manual legacy systems to a fully digitized, Aadhaar-enabled ecosystem (Smart PDS).
- **Nutritional Support:** Implementing the Fortified Rice Initiative to combat malnutrition among women and children.

## ABOUT SUPPLY UNIT, LITTLE ANDAMAN

# INTRODUCTION

*The Lifeline of Little Andaman*

**The Supply Unit, Little Andaman** operates under the administrative control of the Department of Civil Supplies with the primary responsibility of ensuring timely procurement, safe storage, and systematic distribution of essential commodities.

**Overcoming Challenges** Owing to Little Andaman's geographical remoteness and dependence on mainland supplies, our role is critical. We specialize in:

- **Advance Planning:** Bulk procurement to mitigate transportation constraints.
- **Logistics Management:** Ensuring supply chains remain unbroken during seasonal disruptions.
- **Welfare Implementation:** Executing National Food Security Act (NFSA) schemes for Antyodaya Anna Yojana (AAY) and Priority Household (PHH) beneficiaries.

### **Network at a Glance**

- *Universal PDS Coverage: ~90% of the Population.*
- *Fair Price Shops (FPS): 23 Active Units.*
- *Godowns: 02 Major Storage Facilities (300 MT Capacity Each).*

## STAFF & LEADERSHIP

# THE FORCE BEHIND THE SERVICE

INFRASTRUCTURE HIGHLIGHTS, BUILDING RESILIENCE

# INFRASTRUCTURE HIGHLIGHTS

2025-26 Achievements

**Strategic Expansion** To enhance our storage buffer and ensure food security during monsoon isolation, the Department has aggressively pursued capital expansion.

OnePlus

## New Civil Supply Godown

- **Location:** R.K. Pur, Hut Bay.
- **Capacity:** 150 MT.
- **Status:** Construction work taken up during August 2025.
- **Significance:** This new facility will increase our strategic reserve capability, reducing reliance on frequent shipments.

## Generator Room

- **Status:** Construction initiated in August 2025 and successfully completed.
- **Impact:** Ensures 24/7 power backup for the Godown operations, critical for digital record-keeping and security lighting.

MODERNIZING OUR FACILITIES

# RENOVATION & MODERNIZATION

*Upgrading for Efficiency and Safety*

**Revamping the Hub The Department** successfully executed major renovation works in August 2025 to improve the working environment and storage safety.

- **Civil Supply Godown (Hut Bay):** Comprehensive renovation of 01 No. Godown completed. This ensures grain safety from moisture and pests.
- **Civil Supply Office (Hut Bay):** Full renovation of the administrative office completed. A modern workspace for a modern workforce.
- **Loading Infrastructure:** Construction of Barandah/Shed in front of 02 Nos. Civil Supply Godowns completed. This critical addition allows for all-weather loading and unloading operations, protecting food grains from rain.

FUELING HOMES, LPG DISTRIBUTION

# PRADHAN MANTRI UJJWALA YOJANA & DOMESTIC COVERAGE

*"Empowering homes, enriching lives - Clean Fuel for All."*

Working in coordination with M/s CCS Ltd., Hut Bay, we ensure that clean cooking fuel reaches every household.

## Connection Statistics (As of 2025)

Domestic Connections: **5,403 Nos.**

Ujjwala Yojana Beneficiaries: **932 Nos.**

Commercial Connections: **68 Nos.**

GRAND TOTAL: **6,403 Connections**

**Impact:** The high penetration of LPG connections, specifically under the Ujjwala Yojana, has significantly reduced dependence on firewood, contributing to a greener Little Andaman.

DIGITAL TRANSFORMATION (ONORC)

# ONE NATION, ONE RATION CARD

*Portability with Purpose*

**The Initiative** The "One Nation One Ration Card" (ONORC) scheme empowers NFSA beneficiaries to lift their entitled food grains from any Fair Price Shop (FPS) in the country.

## Implementation in Little Andaman

- 100% Coverage: ePoS (Electronic Point of Sale) devices are installed and active in all 23 Fair Price Shops.
- Biometric Authentication: Ensures food grains reach the rightful owner, eliminating identity fraud.
- Impact: Migrant workers and residents travelling to other islands or the mainland can now access their food security without interruption.

*"Strengthening access, driving inclusion ,  
seamless distribution for a transparent future."*

SERVICE TO THE ONGI TRIBE

# TRIBAL WELFARE & OUTREACH

*Reaching the unreachable*

In line with the government's mandate to serve the most vulnerable, the Supply Unit extended its services to the Ongi Tribal Reserve at Dugong Creek.

## MISSION

Tribal  
Inclusion

### eKYC Drives

Conducted specialized EKYC camps for the Ongi tribals to ensure their inclusion in the National Food Security network.

### Food Security

Ensuring uninterrupted supply of rations to tribal settlements, respecting their dietary habits while providing nutritional security.

*This initiative underscores our commitment to "Antyodaya"—serving the last person in the line.*

**SAFETY FIRST**

*Preservation & Preparedness*

# SAFETY & DISASTER PREPAREDNESS

We ensure a steady flow of grains to meet the nutritional needs of every category of beneficiary.

## Stock Preservation

- **Fumigation:** Regular fumigation and disinfection by spray method are conducted in the Godowns to protect food grains from pests and infestation.
- **Scientific Stacking:** Food grains are stacked using scientific methods (dunnage) to prevent moisture damage.

## Disaster Readiness

- **Mock Drills:** The Supply Unit actively participates in Mock Drill exercises to prepare for natural disasters (Earthquakes/Tsunamis), ensuring that the food supply chain remains resilient even in crises.
- **Fire Safety:** Regular checks of fire extinguishers and electrical safety in the renovated godowns.

**Note on Welfare Schemes:** *From 1st January 2024, all identified NFSA beneficiaries are provided food grains Free of Cost under the Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY).*

THE ROAD AHEAD, SMART PDS 2.0

# PROCESS MODERNIZATION & DIGITIZATION

Process Modernization & Digitization

As we move into FY 2026-27, the Supply Unit is poised for a complete digital overhaul.

## End-to-End Computerization

01

Full digitization of the TPDS ecosystem—from allocation to distribution.

## Smart Commodity Management

02

Revamping modules to track grain movement in real-time.

## Nomination Facility

03

Introducing facilities for PwDs (Persons with Disabilities) and bedridden beneficiaries to nominate a proxy for ration collection.

## Green Energy

04

Expanding the use of Solar Rooftop projects (RESCO mode) for AAY beneficiaries.

### ✦ OUR VISION

"Smart systems, stronger access  
— ensuring efficiency,  
transparency, and coverage."
