This development of Greenfield International Airport is for Defense, Strategic, National Security, and Public Purpose. Hence, as per the Right to Fair Compensation and Transparency in Land Acquisition Rehabilitation and Resettlement Act, 2013 Section 2- (1)-(a & b), the acquisition of land for the project serves public purpose.

A total of 263 families are likely to be displaced due to the land acquisition. The reason necessitating such displacement is that as per findings of the committee, the acquisition of land for the aforementioned project serves public purpose and after going through all the required technicality of the airport construction by the experts, SIA team and all stakeholders have selected the Gandhi Nagar village and Shastri Nagar village as the most suitable site.
