**TERMS AND CONDITIONS FOR LEASING OF SEA AREA FOR UNDERTAKING
SEAWEED FARMING AND PEARL CULTURE IN A&N ISLANDS**

1. The eligible applicants include: -
 - a. Fishers, Fish Farmers, Fish Workers and Fish Vendors
 - b. Individual Entrepreneurs and Private firms.
 - c. Self Help Groups (SHGs)/ Fisheries Cooperatives/Joint Liability Groups (JLGs)/ Fish Farmers Producer Organizations/Companies (FFPOS/Cs)
2. The eligible applicants must submit:
 - i. Filled in Application Form (ANNEXURE-I)
 - ii. A Detailed Project Report of the Proposal.
 - iii. Copy of Valid Registration Certificate in case of Individual Entrepreneurs/ Private firms, Self Help Groups (SHGs)/ Fisheries Cooperatives/Joint Liability Groups (JLGs)/ Fish Farmers Producer Organizations/Companies (FFPOS/Cs) recognized by any State government or the Union Territory of India.
 - iv. Copy of Valid Fishing License issued by the Department of Fisheries in case of Fishers.
 - v. Copy of Fishermen Id card issued by the Department of Fisheries in case of Fish Workers.
 - vi. Copy of Certificate issued by Pradhan/Councillor in case of Fish Farmers.
 - vii. In case of Fish Vendors, Copy of Vending Certificate issued by SVPMC for Municipal Areas and Concerned Panchayat in case of Rural areas.
3. Beneficiaries must have prior experience in Fish culture or possess a valid training certificate in the field.
4. For Pearl culture and Seaweed farming, the lease will be granted for an initial period of up to 05 years and extendable for a period of 05 years at a time by the Sea Area Leasing Committee subject to performance review. The committee may review the requirement of separate lease period for specific activity with higher incubation period based on the economics of that particular activity and applications shall be invited for the lease of sea area for that specific activity through procedure specified in the section 15(b) of Andaman and Nicobar Islands Marine Fishing Rules 2004.
5. The Sea Areas for Seaweed Farming and Pearl Culture shall be as per the notification no. M-13/10/2022-ADF (HQ-II)-Fisheries-FISH_AN dated 19th September, 2025 by Department of Fisheries and the notifications as amended from time to time as per the provision of A&N Marine Fishing (Amendment) Rules, 2025.
6. Leasing rent @ Rs.100/- per 100 m² per annum may be charged for leasing out the area to the beneficiaries, payable yearly at the beginning of the lease year. A fixed deposit receipt of Rs.1.5 lakh per Ha. to be submitted by the applicant for final leasing of the sea area along with an undertaking for handing over peaceful possession of the sea area on end/termination of lease, which will be returned on receiving vacant peaceful sea area after completion of the project. The local SHGs are exempted from submission of Fixed Deposit receipt.

7. A minimum of 1.00 Ha. of Sea area shall be allotted for undertaking Seaweed farming and Pearl Culture with the maximum\ ceiling of 10.00 Ha. with the recommendation of sea area leasing committee, as constituted under section 15(c) of the A&N Islands Marine Fishing Rules, 2004. For specific activities with different economics, the area may be reviewed by the Committee while inviting applications for such specific activity.

8. In case the number of applicants exceeds the availability of sea area for leasing, preference shall be given in the following order:

i) Fish Farmers (ii) Self Help Groups (SHGs), (iii) Fisheries Cooperatives, (iv) and other eligible applicants.

9. A leasing order will be issued by the Directorate of Fisheries to the beneficiary (Lessee) on recommendation of the application by the Sea Area Leasing Committee

10. The Lessee must commence Seaweed Farming and Pearl Culture within 90 days of execution of Lease Order. Failure to do so will result in the reallocation of the sea areas to another eligible beneficiary

11. The Sea Area Leasing Committee shall reserve the right to accept/reject any or all applications without assigning any reasons thereof.

12. The Lessee should be capable of procuring and arranging seeds for culture initiation.

13. Fish seeds must be procured from approved or certified suppliers or Seed banks to ensure it meets quality and health standards.

14. The Lessee must provide a complete list of staff and technical personnel involved in culture activity.

15. The Lessee shall not sub-lease the allotted sea area to a third-party arrangement; failing to comply will lead to termination of the allotment and lease agreement.

16. The lessee shall maintain records on the development of the culture activities separately and produce the same for verification from time to time by the lesser or its authorized agent. If the leased sea area remains unutilized continuously for a period of 90 days any time during the lease tenure, the Department of Fisheries shall have the authority to cancel such lease and reallocate the area to other eligible applicants.

17. The Lessee must adhere to the following practices for minimizing environmental impacts:

a. Proper waste management

b. Monitoring of water quality

c. Prevention of habitat destruction

d. Adequate spacing between the cages to reduce the spread of diseases

e. Indiscriminate use of antibiotics and their release into aquatic environment is prohibited.

18. The Lessee shall undertake a detailed site study of the leased area and design the project in such a manner that coral life and marine life at the site or adjacent locations are not adversely affected.
19. Regular inspections shall be jointly conducted by the Department of Fisheries and the Department of Environment and Forests to ensure adherence to Wildlife Protection Act, 1972 and the leasing conditions.
20. Adequate safety measures should be taken to prevent accidents including loss of life. Life-saving equipment like life-buoys/ jackets, communication devices, and first aid boxes at the culture site should be made mandatory. All persons while working at the site should wear life-jackets.
21. That the Lessee shall abide by all the bye-laws, rules and regulation of the relevant authorities including compliance to coastal Aquaculture Authority Rules and Guidelines in respect of the leased premises and shall not do any illegal activities in the said leased Sea area.
22. Lease may be terminated for:
- i. Non-compliance with lease conditions.
 - ii. Environmental damage.
 - iii. Failure to initiate the farming/ culture activity within 90 days of the allotment of sea area.
23. Lease Termination procedure will involve a formal notice and an opportunity for the lessee to address the issues before final action.
24. Dispute Resolution:
- a. In case of any difference/ dispute arising out between the parties, the parties shall make every effort to resolve the disputes amicably.
 - b. In case of failure, the dispute/differences whatsoever arising between the parties (Lessor and Lessee), the same shall be referred for Arbitration to a Sole Arbitrator, who shall be appointed by the Secretary (Fisheries), A&N Administration as per the provisions of the Arbitration and Conciliation Act, 1996 and Amendments made therein from time to time.**
 - c. The Arbitrator appointed under this clause shall pass the award within a period of 06(six) months from the date of reference made to him. The award of such Arbitration shall be final and binding upon the parties. The fee of the Arbitrator shall be borne equally by the parties.
25. Jurisdiction of Court -The courts at Sri Vijaya Puram (Formally known as Port Blair) shall have the exclusive jurisdiction to try all disputes, if any, arising between the parties (Lessor and Lessee).
